DRUID CEREMONIAL COLLAR

Since its earliest days Gympie has had many lodges and friendly societies, supporting their members with medical and funeral expenses.

This ceremonial collar was used by the United Ancient Order Of Druids who held their meetings in the Rechabites Hall on Red Hill. It was donated by M Treichel, and is on display in the Tank.

More of the museum's large collection of lodge and masonry regalia and honour boards are housed in the back room of the Church.
