

FASCINATING FIND

WOODEN TRAY

This serving tray was recently rediscovered at the museum, after a few years of being hidden out of sight in Andrew Fisher's Cottage.

The intricately carved floral design was hand worked into the hoop pine base by Lillian Matthews. It is marked on the back L. M. 2 / 6 / 19.

The sides and handle ends are silky oak, and the tray measures 12' x 21". (300mm x 530mm)

It is on display again at the museum.
